INSPECTION.

As mentioned in our Report for 1908, the Board took steps at the end of the year to invite applications for six Inspectorships in the terms of the Order of the 10th November, 1908.

From over 400 applicants the Board selected six candidates who were appointed with the approval of Your Excellency and the consent of the Lords Commissioners of His Majesty's Treasury.

As the educational year, 1908-9, at the date of the appointment of the Inspectors was too far advanced to render an immediate beginning of inspection advisable or even possible, the Inspectors did not enter on their work until after the usual summer holidays. In the meantime they were afforded opportunities of becoming acquainted with systems of secondary education in England and on the Continent.

As there has not yet been a complete inspection of Intermediate schools, we are not in a position to furnish an account of results such as will be possible in future years.

APPENDIX IV.

THE BURKE MEMORIAL PRIZES.

A sum of money, subscribed in memory of the late THOMAS HENRY BURKE, Esq., Under Secretary to the Lord Lieutenant, was transferred by the Burke Memorial Committee, on 18th March, 1884, to the Intermediate Education Board for Ireland, who undertook to administer the Fund in accordance with the following Rules—(the sum funded is £1,222 18s. 11d. Consols):—

I. The annual income from the fund shall be applied in paying three Prizes, one of £16, one of £10, and a second of £10; any surplus or deficiency to be apportioned in the same ratio. If, in the opinion of the Commissioners, sufficient merit be not shown by the Candidates competing to justify the award of any or either of the Prizes, the amount of such Prize may be, at the discretion of the Board, withheld and added to the principal.

II. No student shall be qualified to receive these Prizes except the children of persons who are, or have been, in receipt of salary or pension in Ireland, paid out of money derived from Parliamentary Grants, Rates, or Taxes, other than members of the Naval or Military Services not being also in Civil employment.

III. The Prizes shall be awarded as follows:—that of £16 to the Boy whom, at the annual Examination in the Junior Grade among Male Candidates qualified in the manner expressed in the next preceding Rule, the Board shall adjudge to have obtained the highest aggregate of Honour marks in the subjects in which he presented himself for examination; One Prize of £10 to the Boy whom, in the same Grade at such Examination, the Board shall adjudge to have obtained the next highest aggregate of Honour marks in the subjects in which he presented himself for examination; and the other of £10 to the Girl whom, at such Examination in the same Grade, among Female Candidates in the manner aforesaid, the Board shall adjudge to have obtained the highest aggregate of Honour marks in the subjects in which she presented herself for examination.

IV. The decision of the Board shall be final and decisive in determining whether the Candidates fulfil the conditions of the third Rule.

V. The Board may deduct all expenses connected with the trust from the yearly income.
